Part 1: District Commitment to School Safety
--

The Little Lake City School District’s goal is to have safe and secure campuses for enrolled students and all employees. The District believes that a beginning step toward safer schools is the development of a comprehensive plan for school safety by every school within the District. The District intends that parents, students, teachers, administrators, counselors, classified personnel, and community agencies develop safe school plans, including local law enforcement. The school site committee will review these safe school plans on an annual basis and proposed changes will be submitted to the Board for approval.

Lakeland Elementary School Little Lake City School District
Section 1: General Information – School Safety
Part 2: Legislative Requirements

CA Education Code 32286 requires each school site to review and update its school safety plan by March 1st of each year which must be developed and written by a School Site Council (SSC) or its designated Safety Planning Committee in collaboration with teachers, classified staff, parents, and first responders to provide an up to date and complete plan.

This requirement was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause that stated that this legislation would remain in effect only until January 1, 2000. Senate Bill 334 was approved and chaptered in 1999 and perpetuated this legislation under the requirement of the initial legislation.

Comprehensive School Safety Plans are required under SB 187/SB 334 to contain the following elements:

- Assessment of school crime committed on school campuses and at school-related functions
- Child abuse reporting procedures
- Disaster procedures
- Suspension and expulsion policies
- Procedures to notify teachers of dangerous pupils
- Sexual harassment policies
- School wide dress code policies
- Procedures for safe ingress and egress
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline

The Comprehensive School Safety Plan will be reviewed and updated by March 1st every year. In September of every year, the school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.

Part 3: Maintaining a Safe and Orderly Environment

It is a priority of the administration and staff that every student who attends our school will be provided with an environment in which the students not only feel physically safe, but that there is also a positive school climate in all activities both in and out of the classroom.

Our administration and staff desire to provide an orderly, caring, and nondiscriminatory learning environment in which all students can feel comfortable and take pride in their school and their achievements.

Our administration encourages staff to teach students the meaning of equality, human dignity, and mutual respect, and to employ cooperative learning strategies that foster positive interactions in the classroom among students from diverse backgrounds.

Students shall have opportunities to voice their concerns about school policies and practices and to share responsibility for solving problems that affect their school. Staff shall encourage and reward success and achievement, participation in community projects, and positive student conduct.

Our school district promotes nonviolent resolution techniques in order to encourage attitudes and behaviors that foster harmonious relations. Staff shall receive training that implements and supports conflict resolution (California Education Code Sections 32230-32239, 35160, 35160.1, 44806).

Lakeland Elementary School remains in compliance with existing laws related to school safety. This manual outlines several elements critical to maintaining a safe school environment.

The Governing Board recognizes that students and staff have the right to a safe and secure campus where they are free from physical and psychological harm. The Board is fully committed to maximizing school safety and to creating a positive learning environment that includes strategies for violence prevention and high expectations for student conduct, responsible behavior, and respect for others.

Section 3: Disaster Procedures
Part 1: General Information - Disaster

Lakeland Elementary School and the Little Lake City School District will take all necessary measures to keep students, staff and visitors safe in the event of a disaster. The following sections of this plan outline basic responsibilities for all staff for specific incidents.

The Little Lake City School District has developed a Standardized Emergency Management System (SEMS) Plan that outlines in more detail, specific responsibilities for Emergency Response Teams at this school.

Biological and chemical weapons are unconventional warfare tactics that can be deployed upon the public with little or no notice. Such weapons typically involve microscopic materials that may be organic or synthetically manufactured in laboratories. Biological or chemical weapons can be in powder form, liquid, or vaporous. Agents used in biological/chemical attacks include, but are not limited to: anthrax, smallpox, other harmful viruses, various forms of nerve gas, tear gas, and other vaporous irritants. Pranks using stink bombs should also be considered a chemical weapons attack.

There are several possible dispersion techniques to deliver biological and chemical agents. The following procedures should be utilized in the event of an assault involving biological or chemical weapons.

Any possible biological/chemical weapons assault should be reported immediately to the principal.

The principal should notify law enforcement authorities immediately.

As necessary, alert all site employees of the situation by intercom.

If the agent is delivered via aircraft:

- All staff and students should be moved indoors;
- Keep students inside and take roll;
- Close and secure all doors and windows;
- Make sure that the HVAC is shut down;
- Cover vents with plastic or thick paper using tape to create a seal;
- Inspect all windows and doors for cracks, gaps, or holes. Cover any with plastic or thick paper using tape to create a seal;
- Remain in this area until notified to leave by the principal, principal's designee or officers of emergency response agencies;
- Immediately report any injuries or illnesses to the principal, principal's designee or officers of emergency response agencies.

If the agent is delivered via dispersion device that is outdoors:

- All staff and students should be moved indoors;
- Keep students inside and take roll;
- Close and secure all doors and windows;
- Make sure that the HVAC is shut down;
- Cover vents with plastic or thick paper using tape to create a seal;

- Inspect all windows and doors for cracks, gaps, or holes. Cover any with plastic or thick paper using tape to create a seal;
- Remain in this area until notified to leave by the principal, principal's designee or officers of emergency response agencies;
- Immediately report any injuries or illnesses to the principal, principal's designee or officers of emergency response agencies.

If the agent is delivered via dispersion device that is indoors:

- All staff and students should be evacuated to the school's normal outdoor evacuation assembly area unless that area may be affected by the assault. Role should be taken;
- Remain in this area until notified to leave by the principal, principal's designee or officers of emergency response agencies;
- The HVAC system should be shut down.

If the agent is delivered via the school's HVAC system:

- All staff and students should be evacuated to the school's normal outdoor evacuation assembly area unless that area may be affected by the assault. Role should be taken;
- Remain in this area until notified to leave by the principal, principal's designee or officers of emergency response agencies;
- The HVAC system should be shut down.

In any situation involving biological or chemical weapons the principal and staff must follow all instructions given by officers of emergency response agencies. The District EOC will develop an action plan to handle telephone inquiries, rumor control, media relations, public information, employee/student crisis counseling, and facility damage assessment/control

Section 3: Disaster Procedures
Part 3: Bomb Threat Procedures

If you observe a suspicious object or potential bomb on property, DO NOT HANDLE THE OBJECT, IMMEDIATELY NOTIFY 9-1-1.

1. Receiving the Call

Make every attempt to keep the caller on the phone as long as possible to gain information. Try if possible, to determine the gender and age of caller. Try if possible, to get the caller to tell you the exact location of the bomb and the time of threatened detonation.

2. Notification Procedures

School Site; communicate the above information to the following in this order:

- Principal
- Assistant Principals/Counselor
- Administrator Designee

The Principal/administrator will notify local law enforcement and the District Superintendent's office.

District Office will communicate the above information to the Superintendent's Office. The Superintendent's office will notify local law enforcement.

Strictly follow the above notification procedures and do not discuss or notify others of the bomb threat since this may create an unwarranted panic response at the facility.

3. Action Plan Procedures

If required to develop an action plan, the principal/administrator may consult with the following: other administrators, head counselor, head custodian utilizing their expertise.

If the location of the bomb is not specifically designated, students will be kept in the classroom.

The principal will make the decision to evacuate the building. However, if possible, this decision should be made in conjunction with law enforcement authorities after they arrive at the site.

The decision to search the building will be made in conjunction with law enforcement authorities and performed by them.

The principal will authorize reoccupation of an evacuated building only after consulting with law enforcement authorities.

Part 4: Chemical or Hazardous Material Incident

If a hazardous material incident occurs off site, stay indoors and close all doors and windows (referred to as taking “Shelter in Place”).

Part 10: Severe Windstorm Procedures

If a severe wind warning is received a District school or site, notify the District Superintendent immediately.

If a severe wind warning is received at the District Office, the District EOC should be activated.

Based upon the specific threat, the District EOC in conjunction with the Operational Area EOC or City EOC will develop an action plan to protect personnel, students and facilities.

In general, if severe winds are affecting a school or facility, employees and students should be moved to the interior core area of the building (inside wall on the ground floor) away from outside windows and doors.

Close all windows and blinds and avoid auditoriums, gymnasiums and other building locations that have large roof areas or spans.

Avoid all areas that have large concentrations of electrical equipment or power cables.

Evacuation of specific schools, facilities or areas will be directed by the District EOC in coordination with SEMS.

All incoming mail and packages should be handled with caution.

Below are indicators of suspicious mail and steps to take in the event that suspicious mail is received.

Mail that ...

- ... is unexpected or from an unfamiliar source
- ... has excessive postage
- ... is addressed to someone who no longer works in the District
- ... is addressed to a current employee but with the wrong title
- ... contains several misspelled words on the envelope
- ... marked with restrictive endorsements such as “Personal” or “Confidential”
- ... has no return address or an address that cannot be verified
- ... mail that is from a foreign country
- ... shows a city or state in the postmark that doesn’t match the return address
- ... is lopsided, oddly shaped, or has an unusual weight, given its size
- ... has protruding wires, strange odors or stains
- ... has powdery substance on the outside
- ... has an unusual amount of tape on it
- ... is ticking or making unusual sounds

Not all mail comes perfectly packaged or with accurate information on it, so it is important that employees handling mail remain sensible in the screening of mail. However, prudent scrutiny conducted in a reasonable manner can greatly reduce the school’s chances of becoming the victim of attack by mail.

What to do with suspicious mail (general response):

- Do not try to open the package or envelope;
- Do not sniff, taste or shake the package;
- Isolate the package;
- Evacuate the immediate area; close the door;
- Contact your supervisor and call 911.

Response to mail suspected of delivering biological/chemical agents in powder form:

- Do not open an envelope or package with powder on the outside;
- If powder is spilled from an envelope or package, do not try to clean up the powder;
- Cover the spilled contents immediately with anything (clothing, paper, trash can);

- Do not remove this cover;
- Leave the room and close the door or otherwise prevent access to the room;
- Wash your hands with soap and hot water;
- Have that everyone who had contact with the piece of mail washes his/her hands with soap and hot water;
- Notify your supervisor;
- Supervisor should immediately contact the local police (911) or the U.S. Postal Inspection Service (626-405-1200);
- Supervisor should notify the District Superintendent's Office;
- Remove heavily contaminated clothing as soon as possible and place inside a plastic bag or some other container that can be sealed. This clothing should be given to the responding emergency response units;
- Shower with soap and water as soon as possible. Do not use bleach or other disinfectant on your skin;
- Make a list of all the people who were in the room or area, especially those who had contact with the envelope or package. Provide this list to the emergency response teams investigating the incident;
- Investigators will remove the envelope or package and conduct a thorough check of the area for contamination;
- If you are prescribed medicine because of this exposure, take it until instructed or until it runs out.

NOTE: Contacting the U.S. Postal Service is less likely to create a media event than the local police but their response may be slower.

Section 5: Suspension and Expulsion/Due Process
Part 9: Due Process Procedures for Suspension

From LLCSD Administrative Regulations 5144.1 – Suspension and Expulsion/Due Process

Suspensions shall be imposed in accordance with the following procedures:

1. Informal Conference: Suspension shall be preceded by an informal conference conducted by the Superintendent, principal, or designee with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action, presented with the available evidence against him/her, and given the opportunity to present his/her version and evidence in support of his/her defense. (Education Code 48911)

This conference may be omitted if the Superintendent, principal, or designee determines that an emergency situation exists involving a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of the conference and the conference shall be held within two school days, unless the student waives his/her right to it or is physically unable to attend for any reason. In such a case, the conference shall be held as soon as the student is physically able to return to school. (Education Code 48911)

2. Administrative Actions: All requests for student suspension are to be processed by the principal or designee. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee. (Education Code 48911)

3. Notice to Parents/Guardians: At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall also be notified in writing of the suspension. (Education Code 48911)

This notice shall state the specific offense committed by the student. (Education Code 48900.8)

In addition, the notice may state the date and time when the student may return to school.

4. Parent/Guardian Conference: Whenever a student is suspended, school officials may request a meeting with the parent/guardian to discuss the cause(s) and duration of the suspension, the school policy involved, and any other pertinent matter. (Education Code 48914)

If school officials request to meet with the parent/guardian, the notice may state that the law requires the parent/guardian to respond to such requests without delay. However, no penalties may

be imposed on the student for the failure of the parent/guardian to attend such a conference. The student may not be denied reinstatement solely because the parent/guardian failed to attend the conference. (Education Code 48911)

5. Extension of Suspension: If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision, provided the following requirements are followed: (Education Code 48911)

a. The extension of the original period of suspension is preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension.

b. The Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process. (Education Code 48911)

c. If the student involved is a foster youth, the Superintendent or designee shall notify the district liaison for foster youth of the need to invite the student's attorney and a representative of the appropriate county child welfare agency to attend the meeting. (Education Code 48853.5, 48911, 48918.1)

d. If the student involved is a homeless child or youth, the Superintendent or designee shall notify the district liaison for homeless students. (Education Code 48918.1)

(cf. 6173 - Education for Homeless Children)

In lieu of or in addition to suspending a student, the Superintendent, principal, or designee may provide services or require the student to participate in an alternative disciplinary program designed to correct his/her behavior and keep him/her in school.

Lakeland Elementary School Little Lake City School District
Section 5: Suspension and Expulsion/Due Process
Part 17: Conduct of Expulsion Hearing

From LLCSD Administrative Regulations 5144.1 – Suspension and Expulsion/Due Process

1. Closed Session: Notwithstanding Education Code 35145, the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such a request is made, the meeting shall be public to the extent that privacy rights of other students are not violated. (Education Code 48918)

Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether or not the student should be expelled. If the Board admits any other person to this closed session, the parent/guardian, the student, and the counsel of the student also shall be allowed to attend the closed session. (Education Code 48918(c))

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to have his/her testimony heard in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including, but not limited to, videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code 48918(c))

2. Record of Hearing: A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. (Education Code 48918(g))

3. Subpoenas: Before commencing a student expulsion hearing, the Board may issue subpoenas, at the request of either the student or the Superintendent or designee, for the personal appearance at the hearing of any person who actually witnessed the action that gave rise to the recommendation for expulsion. After the hearing has commenced, the Board or the hearing officer or administrative panel may issue such subpoenas at the request of the student or the County Superintendent of Schools or designee. All subpoenas shall be issued in accordance with Code of Civil Procedure 1985-1985.2 and enforced in accordance with Government Code 11455.20. (Education Code 48918(i))

Any objection raised by the student or the Superintendent or designee to the issuance of subpoenas may be considered by the Board in closed session, or in open session if so requested by the student, before the meeting. The Board's decision in response to such an objection shall be final and binding. (Education Code 48918(i))

If the Board determines, or if the hearing officer or administrative panel finds and submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in item #4 below. (Education Code 48918(i))

4. Presentation of Evidence: Technical rules of evidence shall not apply to the expulsion hearing, but relevant evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision of the Board to expel shall be supported by substantial evidence that the student committed any of the acts pursuant to Education Code 48900 and listed in "Grounds for Suspension and Expulsion: Grades K-12" and "Additional Grounds for Suspension and Expulsion: Grades 4-12" above. (Education Code 48918(h))

Findings of fact shall be based solely on the evidence at the hearing. Although no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code 48918(f))

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

5. Testimony by Complaining Witnesses: The following procedures shall be observed when a hearing involves allegations of sexual assault or sexual battery by a student: (Education Code 48918, 48918.5)

- a. Any complaining witness shall be given five days' notice before being called to testify.
- b. Any complaining witness shall be entitled to have up to two adult support persons, including, but not limited to, a parent/guardian or legal counsel, present during his/her testimony.
- c. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential.
- d. The person presiding over the hearing may remove a support person whom he/she finds is disrupting the hearing.
- e. If one or both support persons are also witnesses, the hearing shall be conducted in accordance with Penal Code 868.5.

f. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard. Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of a complaining witness shall not be admissible for any purpose.

g. In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the district shall provide a nonthreatening environment.

(1) The district shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony.

(2) At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which he/she may leave the hearing room.

(3) The person conducting the hearing may:

(a) Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness

(b) Limit the time for taking the testimony of a complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours

(c) Permit one of the support persons to accompany the complaining witness to the witness stand

6. Decision: The Board's decision as to whether to expel a student shall be made within 40 school days after the student is removed from his/her school of attendance, unless the student requests in writing that the decision be postponed. (Education Code 48918(a))

Section 6: Sexual Harassment Policy
Part 1: General Information

The administration, teachers and staff at Lakeland Elementary School actively strive to eliminate acts of sexual harassment at the school. All personnel are aware of the mandates from the State of California, the California Department of Education, and the Board of Education of the Little Lake City School District and support them fully. All personnel have received instruction regarding the recognition, prevention, and reporting of acts of sexual harassment. It is important that parents understand the provisions regarding sexual harassment and, in particular, student-to-student harassment. In recent years, this area of sexual harassment has been more clearly delineated in federal and state legislation as well as in our District's policies.

The Governing Board is committed to providing a safe work environment that is free of harassment and intimidation. The Board prohibits sexual harassment against district employees and retaliatory behavior or action against any person who complains, testifies, or otherwise participates in the complaint process established for the purpose of this policy.

Sexual harassment includes, but is not limited to, harassment that is based on the gender, gender identity, gender expression, or sexual orientation of the victim.

This policy shall apply to all district employees and to other persons on district property or with some employment relationship with the district, such as interns, volunteers, contractors, and job applicants.

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 4030 - Nondiscrimination in Employment)

Any district employee who engages or participates in sexual harassment or who aids, abets, incites, compels, or coerces another to commit sexual harassment in violation of this policy is subject to disciplinary action, up to and including dismissal.

(cf. 4117.7/4317.7 - Employment Status Reports)
(cf. 4118 - Dismissal/Suspension/Disciplinary Action)
(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

The Superintendent or designee shall take all actions necessary to ensure the prevention, investigation, and correction of sexual harassment, including but not limited to:

1. Providing training to employees in accordance with law and administrative regulation
2. Publicizing and disseminating the district's sexual harassment policy to employees and others to whom the policy may apply

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

3. Ensuring prompt, thorough, and fair investigation of complaints
4. Taking timely and appropriate corrective/remedial action(s), which may require interim separation of the complainant and the alleged harasser and subsequent monitoring of developments

Section 6: Sexual Harassment Policy
Part 2: Board Policy 4119.11, 4319.11 - Sexual Harassment Personnel

The Superintendent or designee shall periodically evaluate the effectiveness of the district's strategies to prevent and address harassment. Such evaluation may involve conducting regular anonymous employee surveys to assess whether harassment is occurring or is perceived to be tolerated, partnering with researchers or other agencies with the needed expertise to evaluate the district's prevention strategies, and using any other effective tool for receiving feedback on systems and/or processes. As necessary, changes shall be made to the harassment policy, complaint procedures, or training.

Sexual Harassment Reports and Complaints

Any district employee who feels that he/she has been sexually harassed in the performance of his/her district responsibilities or who has knowledge of any incident of sexual harassment by or against another employee shall immediately report the incident to his/her direct supervisor, another supervisor, the district's coordinator for nondiscrimination, the Superintendent, or, if available, a complaint hotline or an ombudsman. A supervisor or administrator who receives a harassment complaint shall promptly notify the coordinator.

Complaints of sexual harassment shall be filed and investigated in accordance with the complaint procedure specified in AR 4030 - Nondiscrimination in Employment. An employee may bypass his/her supervisor in filing a complaint where the supervisor is the subject of the complaint.

All complaints and allegations of sexual harassment shall be kept confidential to the extent necessary to carry out the investigation or to take other subsequent necessary actions. (2 CCR 11023)

Reporting Process and Complaint Investigation and Resolution

Any student who believes that he/she has been subjected to sexual harassment by another student, an employee, or a third party or who has witnessed sexual harassment is strongly encouraged to report the incident to his/her teacher, the principal, or any other available school employee. Within

one school day of receiving such a report, the school employee shall forward the report to the principal or the district's compliance officer identified in AR 1312.3. In addition, any school employee who observes an incident of sexual harassment involving a student shall, within one school day, report his/her observation to the principal or a district compliance officer. The employee shall take these actions, whether or not the alleged victim files a complaint.

When a report or complaint of sexual harassment involves off-campus conduct, the principal shall assess whether the conduct may create or contribute to the creation of a hostile school environment. If he/she determines that a hostile environment may be created, the complaint shall be investigated and resolved in the same manner as if the prohibited conduct occurred at school.

When a verbal or informal report of sexual harassment is submitted, the principal or compliance officer shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with the district's uniform complaint procedures. Regardless of whether a formal complaint is filed, the principal or compliance officer shall take steps to investigate the allegations and, if sexual harassment is found, shall take prompt action to stop it, prevent recurrence, and address any continuing effects.

If a complaint of sexual harassment is initially submitted to the principal, he/she shall, within two school days, forward the report to the compliance officer to initiate investigation of the complaint. The compliance officer shall contact the complainant and investigate and resolve the complaint in accordance with law and district procedures specified in AR 1312.3.

In investigating a sexual harassment complaint, evidence of past sexual relationships of the victim shall not be considered, except to the extent that such evidence may relate to the victim's prior relationship with the respondent.

In any case of sexual harassment involving the principal, compliance officer, or any other person to whom the incident would ordinarily be reported or filed, the report may instead be submitted to the Superintendent or designee who shall determine who will investigate the complaint.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

Confidentiality

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action. (5 CCR 4964)

However, when a complainant or victim of sexual harassment notifies the district of the harassment but requests confidentiality, the compliance officer shall inform him/her that the request may limit

Lakeland Elementary School Little Lake City School District
Section 6: Sexual Harassment Policy
Part 5: Administrative Regulations 5145.7 - Sexual Harassment Students

the district's ability to investigate the harassment or take other necessary action. When honoring a request for confidentiality, the district will nevertheless take all reasonable steps to investigate and respond to the complaint consistent with the request.

When a complainant or victim of sexual harassment notifies the district of the harassment but requests that the district not pursue an investigation, the district will determine whether or not it can honor such a request while still providing a safe and nondiscriminatory environment for all students.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)
(cf. 5125 - Student Records)

The principal/designee or compliance officer shall take immediate measures necessary to stop the harassment and protect students and/or ensure their access to the educational program. To the extent possible, such interim measures shall not disadvantage the complainant or victim of the alleged harassment. Interim measures may include placing the individuals involved in separate classes or transferring a student to a class taught by a different teacher, in accordance with law and Board policy. The school should notify the individual who was harassed of his/her options to avoid contact with the alleged harasser and allow the complainant to change academic and extracurricular arrangements as appropriate. The school should also ensure that the complainant is aware of the resources and assistance, such as counseling, that are available to him/her. As appropriate, such actions shall be considered even when a student chooses to not file a formal complaint or the sexual harassment occurs off school grounds or outside school-sponsored or school-related programs or activities.

(cf. 5144 - Discipline)

Gang-Related Apparel

The principal, staff and parents/guardians at a school may establish a reasonable dress code that prohibits students from wearing gang-related apparel when there is evidence of a gang presence that disrupts or threatens to disrupt the school's activities. Such a dress code may be included as part of the school safety plan and must be presented to the Board for approval. The Board shall approve the plan upon determining that it is necessary to protect the health and safety of the school's students.

(cf. 0450 - Comprehensive Safety Plan)
(cf. 5136 - Gangs)

Uniforms

In order to promote student safety and discourage theft, peer rivalry and/or gang activity, the principal, staff and parents/guardians at a school may establish a reasonable dress code requiring students to wear uniforms. Such a dress code may be included as part of the school safety plan and must be presented to the Board for approval. The Board shall approve the plan upon determining that it is necessary to protect the health and safety of the school's students.

Each school shall allow students to wear sun-protective clothing, including but not limited to hats, for outdoor use during the school day. (Education Code 35183.5)

In addition, the following guidelines shall apply to all regular school activities:

1. Shoes must be worn at all times. Thongs or backless shoes or sandals are not acceptable.
2. Clothing, jewelry and personal items (backpacks, fanny packs, gym bags, water bottles etc.) shall be free of writing, pictures or any other insignia which are crude, vulgar, profane or sexually suggestive, which bear drug, alcohol or tobacco company advertising, promotions and likenesses, or which advocate racial, ethnic or religious prejudice.

Section 7: School Dress and Grooming
Part 2: Administrative Regulation 5132 – Student Dress and Grooming

The principal, staff, students and parent/guardians at each school may establish reasonable dress and grooming regulations for times when students are engaged in extracurricular or other special school activities.

Gang-Related Apparel

At individual schools that have a dress code prohibiting gang-related apparel at school or school activities, the principal, staff and parents/guardians participating in the development of the school safety plan shall define "gang-related apparel" and shall limit this definition to apparel that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. (Education Code 32282)

Because gang-related symbols are constantly changing, definitions of gang-related apparel shall be reviewed at least once each semester and updated whenever related information is received.

At least six months before a school uniform policy is implemented, the principal or designee shall notify parents/guardians of this policy. (Education Code 35183)

This request must state why he/she believes the denial or revocation was improper and must provide an address to which the hearing notice may be sent. Upon receipt of the request for a hearing, the Superintendent or principal shall promptly mail a notice of the hearing to the person requesting it. Section 9: Rules and Procedures of School Discipline

Part 1: Specific Guidelines

Office

Students are to come to the office only with permission (hall pass), except in the case of an emergency.

Students that do not complete assignments should not be sent to the office to complete them. They may complete them during recess, lunch recess, or after school under your supervision. When students are sent to the office for disciplinary reasons, a note must accompany the student stating the infraction and other pertinent data.

Since we have very limited nursing services, you may have to use your judgment in sending students to the office. For minor injuries, use your first aid kit; for minor complaints, try sending the student to drink water, or use the restroom, or rest for a while. If the complaint persists, send them to the office. Any child with an injury to the eyes, head, or private parts must be sent to the office immediately. If there is an injury in the classroom or on the playground that you consider serious, do not move the child until the principal or nurse arrive.

Detention

Students may be detained after school for 15 minutes without parent notification. Detention lasting longer requires parent notification. Parents of children who attend child care must be notified prior to their child's detention.

DO NOT LEAVE CHILDREN IN THE CLASSROOM WITHOUT ADULT SUPERVISION.

PERMITS

All students going home for lunch must have a lunch permit on file in the office.

Any student leaving the school grounds during school hours must be signed-out by an authorized adult and go through the office.

Students in Grades 4-5 may ride their bicycles (and wear a helmet) to school if they have a permit signed by the parent on file in the office.

Rainy Days

On rainy days, classrooms are to be open to the children and teachers in the rooms by 8:10 am. At recess time, teachers with aides will take a 10-minute break then relieve the neighboring teacher for 10 minutes. Any teacher without an aide is to call the office if they want to be relieved.

The lunch period during rainy days is 30 minutes. After that time, the children are to be picked up from the cafeteria. If it starts to rain during playtime, the students will be returned to the classroom for quiet play. Teachers are asked to be prompt on rainy day schedule.

Communications

Any notes sent home to parents, other than a routine communication, should be cleared with the principal. All communication must be translated into Spanish unless you are certain only English is spoken in the home.

Discipline

Little Lake City School District uses the Assertive Discipline method, which encourages teacher and student interaction in making classroom rules and consequences. It is important that the positive as well as the negative consequences to each rule are included.

CORPORAL PUNISHMENT IS NOT PERMITTED EVEN WITH PARENT PERMISSION

In order to provide a positive and safe learning environment for students, Lakeland staff has created school wide expectations by implementing the Positive Behavior and Intervention Support (PBIS) System, as well as a bully prevention component. The following goals were developed by staff to promote a safe environment for all:

Throughout the school year, all staff will implement the PBIS (positive behavior and intervention support) school wide expectations matrix in order to maintain a safe environment for all students, as measured by data (office referrals, Eagle Eye ticket distribution, infraction slips).

The following steps were created and have been put into place this year:

- Develop school wide expectations following the PBIS framework.
- Share SMART goal with community (staff/parents/students).
- Provide Responsibility Assemblies per grade level to communicate school wide expectations, consequences and incentives to students.
- Post school wide expectations matrix posters throughout campus as a reminder to students and teachers.
- Provide parent communication on the school wide expectations.
- Provide one on one counseling to students who need extra support.
- Purchase materials (incentives) and resources as needed.

Throughout the school year, all staff and students will be trained in Bully Preventions part of Lakeland's PBIS (positive behavior and intervention support) school wide expectations in order to maintain a safe environment for all students, as measured by evidence of implementation (bully prevention student presentation; classroom follow up on bully prevention; observations of strategies utilized by students).

The following steps were created and have been put into place this year:

- Review PBIS school wide expectations with students.
- Share the definition of "bully", as stated in the Ed Code, to staff.
- Define acts of "bothering" versus acts of "bullying" based on the Ed Code definition.
- Research Bully Prevention strategies as outlined in PBIS.
- Identify focus strategies to implement at Lakeland.
- Train students to use the selected strategies in preventing "bothering" and "bullying" behaviors.
- Provide Bully Prevention Assemblies per grade level as part of student training.
- Provide parent communication on the Bully Policy.
- Provide one on one counseling to students who need extra support.
- School wide implementation of the Second Step Social Emotional Learning program

adopted: September 11, 2018 Santa Fe Springs, California

Lakeland Elementary School Little Lake City School District
Section 11: Bullying and Intimidation
Part 2: School Bullying Policy

In order to provide a positive and safe learning environment for students, Lakeland staff has created school wide expectations by implementing the Positive Behavior and Intervention Support (PBIS) System, as well as a bully prevention component (No Bully). Every Lakeland employee has received extensive training in bully prevention through the “No Bully” program. The system has been put in place, not only to comply with state and federal laws on student bullying and harassment, but more importantly to promote the safety of our students and to create a bully-free school. Below is the Lakeland anti-bullying policy. The policy includes our social vision, the purpose of the policy, definitions, and a four tiered response should bullying occur. We recognize that at the elementary level, most incidents of bullying start with bothering. To address this, we plan to prevent bothering by building skills against bothering and bullying. The anti-bullying policy is aimed at training students how to avoid bothering behaviors and how to respond if they are being bothered, or bullied.

LAKELAND ELEMENTARY SCHOOL ANTI-BULLYING POLICY

Our school’s social vision

At Lakeland Avenue Elementary School we believe that every student should feel accepted for who they are and able to enjoy their time at our school free from bullying and harassment.

Purpose of this policy

Bullying and harassment stand in the way of our social vision. This policy prohibits harassment and bullying at Lakeland Elementary School during the school and after-school program, at school field trips, school sponsored events, and when students are traveling to and from school. It describes our school’s procedures to prevent and stop bullying and prohibits reprisal or retaliation against any person who reports bullying. This policy applies to all students, teachers, staff, specialists, and anyone who works on our campus, whether employed by the school or district, working as contractors, or volunteers.

Definitions

Bullying is different from conflict. It occurs when a student, or group of students, repeatedly try to hurt, humiliate or get power over another less powerful student in any of the following ways.

- Physical bullying is when a student uses physical force to hurt another student e.g. by hitting, pushing, shoving, kicking, taking a student’s belongings or stealing their money.
- Verbal bullying is when a student uses words, images or gestures to intimidate or humiliate another student e.g. by taunting, name-calling, teasing, put-downs, insults, threats and blackmail.

- Relational bullying is when a student excludes or isolates another student e.g. through leaving them out, manipulating others against them, or spreading gossip or rumors.
- Cyberbullying is when a student uses their cell-phone, text messages, e-mails, instant messaging, chats and websites (such as Facebook, Twitter, You Tube or Instagram) to bully another student in any of the ways described above.

Bullying may at times amount to harassment. It is harassment to target a student online or face to face because of their actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or because they are associating with a student or group of students with one or more of these actual or perceived characteristics.

It is sexual harassment to target a student with unwanted sexual comments, gestures, attention, stalking and physical contact that cause a student to feel uncomfortable or unsafe at school, or interferes with schoolwork. This is dealt with further in the school's sexual harassment policy.

Our school does not tolerate bullying or harassment for any reason. You are breaking the law if you harass anyone at our school. It is a serious breach of the school rules if a student takes revenge or asks someone to threaten or hurt a student that has reported bullying or harassment.

How students can end bullying

Bullying and harassment cause pain and stress to students and are never justified or excusable as "just teasing" or "just playing." When a student stands by doing nothing, or laughs or posts comments online when others bully, they are participating in bullying.

The students at Lakeland have agreed to join together to treat others with respect both online and face-to-face so that we keep our campus bully-free.

All students agree to:

- Value student differences and treat others with respect both online and face-to-face.
- Use Stop, Walk or Talk when I or others around me are the target of bullying
- If I cannot safely stop the bullying, to walk away and seek help from any teacher or trusted adult on campus.
- Never take revenge or ask someone to hurt a student that has reported bullying.

Our school takes a problem-solving approach to bullying. We have staff members trained as Solution Coaches to bring together a Solution Team of students and ask them to end bullying situations. Most Solution Teams successfully end bullying situations after one or two meetings without using punishment.

Staff, Teacher and Parent Response to Student Harassment and Bullying

Our school follows a four-level system for preventing and responding to bullying and harassment

Level 1 – Prevent & Interrupt

- All teachers, staff, students and volunteers support a campus-wide system for preventing and stopping harassment and bullying.
- If any teacher or staff member witnesses an act of harassment or bullying, he or she shall take immediate steps to intervene and redirect students provided it is safe to do so.
- If a parent or guardian knows or suspects that their child is being harassed or bullied, encourage your student to use the stop, walk or talk method or to seek help from any trusted adult on campus. If this does not solve the situation, inform your student’s classroom teacher. The school can only help you if you trust us with the problem and tell us what is happening.

Level 2 – Check in with target of bullying and notify a Solution Coach or the Principal

- All members of school staff are encouraged to watch out for students who appear to be isolated from other students, who are put down by other students behind their back, or who show signs of being bullied.
- If any staff member knows or suspects that a student is the target of ongoing bullying or harassment (i.e. it has happened more than once and is likely to continue), he or she shall check in with the student as soon as reasonably possible. If this appears to be ongoing bullying or harassment, he or she shall complete a Solution Team Referral Form and provide it to the Lead Solution Coach

Level 3 – Solution Team, Progressive Discipline and other responses

Our school uses a variety of methods to prevent and end harassment and bullying. We may use Solution Teams®, progressive discipline with increased consequences if behavior continues, and suspension or expulsion.

- If a Solution Team is appropriate, a Solution Coach will meet with target of bullying and offer to convene a Solution Team to bring the bullying to an end. The Solution Team is a team of 6-8 students that includes the bullying students, bystanders, and students who are positive role models. The Solution Coach records progress using a Solution Team Log and shall report progress to the principal.
- If progressive discipline, suspension, or expulsion is appropriate, the principal will meet with the bullying student, and involve their parents and teachers when determining consequences.
- In all cases of bullying, the principal will document and retain all the information of the incidents of bullying.

Lakeland Elementary School Little Lake City School District
Section 11: Bullying and Intimidation
Part 2: School Bullying Policy

Level 4 – Implement an Empathy-Building Action Plan

If a pattern of harassment or prejudice is apparent across an entire class or grade, the Solution Coach and other relevant school staff implement a plan to teach respect for differences and create a supportive peer culture.

If the school’s intervention does not resolve the bullying, the student or their parent/guardian should inform the Principal. If the student or parent/guardian disagrees with how the school has responded to their complaint of discrimination, harassment, intimidation, or bullying, he or she may appeal to the Director of Pupil Services at the District office, at (562) 868-8241.
