The Bid submitted must not contain any erasures, interlineations, or other corrections unless each such correction is suitably authenticated by affixing in the margin immediately opposite the correction the surname or surnames of the persons signing the Bid. In the event of inconsistency between words and figures in the Bid price, words shall control figures. In the event that the Owner determines that any Bid is unintelligible, inconsistent or ambiguous, the Owner may reject such Bid as not being responsive to the invitation to Bid.

21. MODIFICATIONS. Changes in or additions to the Bid form, recapitulations of the work proposal upon, alternative bids, or any other modification of the Bid form that is not specifically called for in the Bid Documents may result in the Owner's rejection of the Bid as not being responsive to the invitation to proposal. If appropriate, the apparent low bidder will be given an opportunity to rebut the evidence and present evidence that the apparent low bidder should be awarded the contract. If deemed appropriate by the District, an informal hearing will be held. District will issue a written decision within fifteen (15) days of receipt of the protest, unless factors beyond the District's reasonable control prevent such resolution. The Decision on the Bid Protest will be copied to all parties involved in the protest.

b. Finality. The decision concerning the Bid controversy will be final and not subject to any further Appeals.

c. Failure to comply with this Bid Protest Procedure shall constitute a waiver of the right to protest and shall constitute a failure to exhaust the protesting bidder's administrative remedies.

In performing the services set forth in the Agreement, Successful Bidder shall not utilize any employees who are not included on the above-referenced list. At District’s sole discretion, District may make a finding, as authorized under Education Code Section 45125.1, that Successful Bidder’s employees will have only “limited contact” with pupils. Successful Bidder’s failure to comply with these laws shall be considered a material breach of this Contract upon where the Contract may be terminated, at District’s sole discretion, without further compensation to bidder.

Pursuant to Section 45125.2 Successful Bidder shall ensure the safety of pupils by the installation of a physical barrier at the worksite and by continual supervision and monitoring of all these employees by an employee of Successful Bidder whom the Department of Justice has ascertained has not been convicted of a serious or violent felony, as defined in Education Code Section 45125.5 (c).
