The District reserves the right to reject any or all bids and to accept or reject any line items thereon and to make any combination of line item awards, or to waive any irregularities or informalities in any bids or in the bidding. The award of the Contract will be by action of District's Board of Education and to the lowest responsible and responsive bidder from among those bidders responding to the Notice Calling for Bids. In the event an award is made to a bidder and such bidder fails or refuses to execute the Contract and provide any required documents within ten (10) days after notification of the award of the Contract to bidder, District may award the Contract to the next lowest bidder until the lowest responsive, responsible bidder accepts or release all bidders.

It is the intention of District to award a Contract as determined to be in the best interest of District. The right is reserved to reject any or all quotations to waive any informality in bids, and to accept or reject any item thereon. Award shall be based on price as well as past service, current service availability, delivery performance, durability, and quality as contained in the specifications and verified by references.

District does NOT guarantee that all items shown on this bid will be purchased. The right is reserved to purchase additional quantities at the bid prices during the period this bid is in force. It is not intended that large variations from the listed quantities will be made, but quantity additions or deletions shall be at the option of District.

In addition to other factors, bids will be evaluated on the basis of advantages or disadvantages to District, including, but not limited to, discounts. 3.16 NO MINIMUM OR MAXIMUM QUANTITIES, OR LIMITATIONS

The District does not guarantee orders in the amounts within the bid nor shall orders be limited to these specific figures. This is an indefinite-quantity bid, however the quantities listed are a good faith estimate. Bidders shall not specify minimum or maximum quantities or charges for order types, unless specifically allowed on the bid form. Unlimited orders within the term of the Contract shall be allowed to the District at prices quoted. 3.17 FAILURE TO BID ON ANY LINE ITEM

If a bidder does not wish to bid on any item, it may state “no bid” where indicated for the specific Bid Item. For the purposes of calculating the bidder’s total bid, the District reserves the right to use the highest bid price received by the District from other bidders for the Bid Item marked “no bid”, line items left blank, without a price, or incomplete. For example, if the District receives two bids and Bidder A provides “no bid” for Chicken Strips while Bidder B provides a price of \$15 for Chicken Strips, the District will add \$15 to Bidder A’s total bid amount.

3.18 AMENDMENTS OR ADDENDUMS

Bidders are advised that District reserves the right to amend the requirements of this Notice Calling for Bid prior to the date set for opening of bids. Such revision will be done formally by publishing addendums to the District website and emailing all bidders known to have received a copy of the Invitation for Bid. If in the judgment of District the change is of such nature that additional time is required for bidders to prepare their bids, District will change the date of the bid opening and notify all bidders in writing of the new date.

Bidders must acknowledge receipt of addendums to bid where provided on the Bid Form.

3.19 COMPETENCY OF BIDDER

In selecting the lowest responsible bidder, consideration will be given not only to the financial standing but also to the general competency of the bidder for the performance of the work covered by the bid. By submitting a bid, each bidder agrees that District, in determining the successful bidder and its eligibility for the award, may consider the bidder’s experience and references, conduct and performance under other contracts, financial condition, reputation in the industry, and other factors which could affect the bidder’s performance of the work. To this end, each bid shall be supported by a statement of the bidder’s experience

as of recent date on the form entitled “Bidder Information” and “Reference List”.

3.20 BID VALIDITY

Bids are to be valid and in force for ninety (90) days after opening.

If deemed appropriate by the District, an informal hearing will be held. District will issue a written decision within ten (10) days of receipt of the protest, unless factors beyond the District’s reasonable control prevent such resolution. The Decision on the Bid Protest will be copied to all parties involved in the protest.

3.24.2 Finality

The decision concerning the Bid controversy will be final and not subject to any further Appeals. Failure to comply with this Bid Protest Procedure shall constitute a waiver of the right to protest and shall constitute a failure to exhaust the protesting bidder's administrative remedies.
